

window.h

```
graph BT; window_c["window.c"] --> window_h["window.h"]
```

The diagram consists of two rectangular boxes. The top box is light gray with a black border and contains the text 'window.h'. The bottom box is white with a black border and contains the text 'window.c'. A blue arrow points vertically from the top of the 'window.c' box to the bottom of the 'window.h' box, indicating an include or dependency relationship.
